**Note to Competitors:**

Registered Production 4WD and Restricted Open 4WD drivers will be supplied the above decals by Vermont SportsCar free of charge. Competitors may also use single color white or black versions of the Subaru logo (shown below) should they work better with their specific livery. These logo files will be supplied upon request for the competitor to produce the decals themselves. Each competitor must get pre-approval from Vermont SportsCar to use these logos by emailing [chris@vtcar.com](mailto:chris@vtcar.com).

**The single color alternate logos may only be used on solid color backgrounds (no patterns).**
